TO INQUIRE INTO SANITY OF WOMAN WHO SHOT FACH

Commission Will Sit To-Night in Case of Assailant of Staten Island Prosecutor.

An inquiry into the sanity of Mrs. Elizabeth Edmunds, wife of Dr. John Edmunds, a New York dentist, who shot District-Attorney Fach of Richmond County in his office at Stapleton, S. I., Aug. 13, will be begun in the Richmond County court room at 7 o'clock this evening.

The members of the commission, appointed by County Judge Harry J. Tierney, are: James Vall of Stapleton, Edward S. Hanson of West New Brighton and Dr. Henry T. Goodman of Stapleton. Dr. Fritchard of Stapleton, who has already expressed an opinion that Mrs. Edmunds is of unsound mind, will testify. Dr. Charles F. McDonald, who has been retained by Mrs. Edmunds, will give evidence that she is sane.

District-Attorney Fach will introduce letters written by Mrs. Edmunds to prove she is mentally unbalanced. She shot Fach over a fancied grievance arising out of his management of legal matters she had entrusted to him.

17 Jewelled Gold \$9.98

Gentlemen's Watches

Our prices are lower at retail than any wholesale jeweler in the city can buy them for in hundred lots. This sale tomorrow will prove the truth of our statement. Until we close at 6 o'clock, we shall sell these gentlemen's solid 14k. gold 17-jewelled watches at \$9.98 each and when we deliver these watches to you we give you our full warrant and guarantee to the effect that if any jeweler, other than ourselves, returns you one like it or one equally as good for less than \$9.98 we will refund your \$9.98 on receipt. We will allow you to take the watch to your own jeweler to verify this. These guarantees are stamped in green ink, and the cases are stamped 14k. gold, so anyone can read it. There cannot be any mistake. We cannot fill mail orders for these particular watches, nor will we sell them to jewelers or resellers. We will sell them only to the consumer and want the public to take the benefit of every one of the 200 we shall have on sale tomorrow until 6 o'clock.

Positively

We sell more fine gold watches than all the New York City jewellers combined, and can prove it by our sales records. Our proposition is simply this: If we do not save you at least 25 per cent. on any watch we sell you, we will return it and we will refund all of your money. No other jeweler will give you this guarantee. You can find out by asking any of them. Observe a few of our list prices.

AMERICANS EASY VICTIMS FOR FOREIGN ART DEALERS

Suit Over Purchases by Ex-Senator Clark in London Reveals Rich Profits on Sales.

LONDON, Nov. 6.—The great profits made by art dealers from American purchasers were exposed in the testimony given to-day in the suit brought against Sir George Donaldson by Alfred G. Temple, the art expert for commission in connection with the sale of a collection of old masters to ex-United States Senator William A. Clark for \$70,000. Judgment was given to Mr. Temple for \$27,000 and the Lord Chief Justice who tried the suit awarded him another \$1,700 as recompense for the detention of the money by Sir George Donaldson since 1909 when the last deal took place with Mr. Clark.

In the course of cross-examination Sir George Donaldson testified that he had made a big profit from Mr. Clark. He said he had bought a picture by Turner for \$20,000 and had sold it for \$25,000 and he had acquired a seapiece by Jan Van Goyen for \$2,000 and had sold it for \$25,000.

HARDIE ON SOCIALIST GAINS.

English Leader, in Optimistic Mood,
Looks Ahead to 1916.

LONDON, Nov. 6.—Commenting on the increased Socialist vote in the United States, despite the party's loss of its only Congressman, James Keir Hardie, the English Socialist leader, recently back from America, gave it as his opinion today that the party will have grown so much by 1916 that all the others will have to combine to prevent the election of a Socialist President.

Contempt of Court.
